Re: **MEETING SUMMARY PER SECTION 1.1208 OF THE FCC'S RULES**
Schools and Libraries Universal Service Support Mechanism,
Docket No. 02-6

Dear Ms. Dortch:

On behalf of Education Networks of America (ENA), this summary memorializes meetings between representatives of ENA and Commission staff regarding the Request for Waiver filed in 2013 by the Tennessee Consortium.¹

Kitty Ganier, ENA's general counsel, and Gina Spade, Broadband Legal Strategies, counsel for ENA, met today with D'wana Terry, deputy chief of the Wireline Competition Bureau; Ryan Palmer, division chief of the Telecommunications Access Policy Division (TAPD); Gabriela Gross, deputy division chief, TAPD; Aaron Garza, attorney-advisor, TAPD; and Ike Ofobike, attorney-advisor, TAPD.

During today's meeting, ENA explained that ENA and Metro Nashville Public Schools had entered into a master contract pursuant to MNPS's 2011 E-rate compliant procurement. Under Commission precedent and Tennessee state law, that contract constituted a master contract form which other E-rate applicants could purchase services.² ENA will supplement the record in this docket with the additional documentation as soon as possible.

¹ Request for Waiver, *In the Matter of Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Tennessee Consortium (filed February 11, 2013).

² See 47 C.F.R. § 54.500; Tenn. Code Ann. §§ 12-3-1203(c).

Pursuant to Section 1.1206(b)(2) of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket and courtesy copies are being sent to the attendees. Please direct any questions regarding this filing to the undersigned.

Respectfully submitted,

A handwritten signature in cursive script, reading "Gina Spade".
